PLANTING RESCUE MISSIONS AND CHURCHES IN THE INNER CITIES

---

Dear friends and supporting churches, 1/31/12

The Lord is really blessing the church here in lost Vegas and we are having problems that most preachers would love to have. The problem we are having is we are running out of room in our church. Yes for whatever reason the Lord has seen fit to cause a quick growth in our church, our building only seats 50 people and we are having anywhere between 30 to 40 people every service. Also we have no nursery and we have children under two that have to sit in the service during preaching which causes some distraction and some other problems but we are enduring them. We have been looking for a new building that we can rent in a strip mall or anywhere else but it is not easy to find one where there is not already a small church trying to start in this city. Most of these churches are small charismatic or interdenominational churches who know not the truth or what Bible is the truth. Because there is already a church in that strip mall they will not let us put our church there. So we are asking you to pray that God would provide us a building we need at least 1100 ft. and one empty room for a nursery and at least one bathroom. Also we have seen several people saved in just the last three weeks a man came to us named Bill and after hearing the preaching in our discipleship class that Brother Matt Presley teaches Bill was led to Christ and has been faithfully attending our church every since. This man is a contractor and is trying to get his life back together please pray for him. Another gentleman came to us named Vinnie; he just got out of jail a month ago serving a 15 year sentence and is trying to get his life back together. God gave the honor for me and Brother Presley to lead him to Christ in front of the halfway house where he lives

and he is trying to live for God, read his Bible go to discipleship class and get his life back together. Another lady named Donna met Matt in a business deal that had to do with a painting job and Brother Matt ended up leading her to the Lord and she also came to church. And Sunday before last a family of four showed up who are Bible believers looking for a church that believed in the King James Bible and preach it. Brother Mark and his wife Mariah and there three children were in our services all that Sunday and the Thursday night following. We also saw some family members that we had been praying for that belonged to another young couple that attend our church that they would come out, there were four that showed up none got saved but they all heard the gospel. We also saw an old workmate that I used to work with come out to church and several others have been off and on and the building has been pretty much full. The fact of the matter is our biggest problem right now is where to put people (hallelujah). All of my family is doing well and everyone is praising the Lord for the moving of the spirit of God both in our church and our family. We also had the privilege of having Brother Jerry Sutek and his wife Robin with us for an all day Sunday just before they flew to the Philippines for their missionary efforts. We also had the privilege of having Brother Tom Johnson veteran missionary to Papua New Guinea he was a great blessing and encouragement to our church. I will close for now please keep us in your prayers for we have desperate need of them.

Preaching the gospel on the front lines of "Sin City"
