

TRAVELING

Pro 6:11 So shall thy poverty come as one that travelleth, and thy want as an armed man.

As I read this verse this morning (Sept. 6) I thought, "how true". We are in the traveling mode again...seems like much of our life has been in that mode. Robin is with me now for the past week but in the last three weeks I have preached in Grace Bapt. Pastor Chuck Kaighen, Harrisonville, MO., Masters Boys Ranch with Dave Bosley, Thayer, MO., Grace Bapt. Pastor Charlie Perkins, Galena, MO., Little Band and Lowly Bapt. Pastor Mark Velder, Independence, MO., Heritage Bapt., Pastor Scott Hanks. I also spoke to Pastor Hanks' Bible College and went with them on their street meeting in Lawrence, KS. We were instrumental in getting this fine ministry out on the streets about 10 years ago. We then moved on to Blessed Hope Bible Believer's Bapt., Pastor Tim McCoy, Chanute, KS., and Gospel Light Bapt., Pastor Steven Meier, Enid, OK. These were great meetings in great churches with lots of space in between.

Mary is well into school in Bowie, TX. May I make a quick advertisement for this school. Bible Baptist Translators Institute is a very wonderful and very necessary school for anyone interested in missions. They teach the basics of all language plus training in culture. She is doing well...just pray that she will make the right decisions in the vital, coming years.

Our most pressing prayer request is for a place to set our container in the Philippines...we cannot ship it until we have a destination for it to sit. We also need housing for ourselves and it would be most wonderful if the two could be on the same property.

Ahead we go to Ft. Smith AK. to minister to Pastor Paul Sherrouse, then on to TX. for two meetings and then FL., NY, TX again then TN., KY., IN., OH., PA., NY., DE., and finally AZ just before we fly out to Philippines on Jan. 2.

We truly appreciate the faithful support of our churches both in prayer and finances. We also welcome aboard the new supporting churches with our hearty "Thank You".

Some photos of our recent labors can be enjoyed here.
