

Just to get someone to read anything, but especially the Word of God is quite an accomplishment. Well, it is not as difficult in the Philippines as it is in many other places in the world. Notice the photos of some in a fast food restaurant reading the tracts I gave them. These are "MacArthur" tracts put out by Little Red Book www.littleredbook.org in North Greece NY. This is a great tract for PI because it has a large picture of Gen. Douglas MacArthur on the front and the first page is a brief history of why MacArthur enjoys hero status throughout the PI even to this day. The rest of the tract of course is basic salvation with refs back to what Mac did here 70 years ago. I can just carry these in the mall and his photo catches men's eyes and they ask for them and stand still and read them... Thanks Little Red Book.

Water and Coconuts

One photo shows Robin and a lady from our church doing water duty. This is how we must get our water right now because of the damage from the flood. Oh, don't cry for us...save it for the missionaries in PNG who must carry their water long distances...this is just good exercise for us. The other photos are daily scenes from our front balcony. I'll bet that 60 ft. coconut tree looks good to many of you still shoveling snow. You keep the snow and I'll keep the sweat.

Plans for Bible Institute

Good news...Pastor Ruben Sulapas is scheduled to close on a wonderful land purchase tomorrow. This will settle a place for the church, the printing ministry, staff housing and the Bible Institute. If all goes as planned we hope to start the Bible Institute by June. Please pray to this end.

Books and events

Attached is a way to purchase my books from the USA...a phone number where your CC can be processed and the books sent out to you...can't make it much easier...check it out...We even found a small stock of Fragments of Faith which I thought was completely out of stock. Order now before they're gone and avoid the rush later.

Another year for the Beale Street Blast Street Preacher's convention in Memphis.

This is always a great event to be in attendance both for the preaching, instruction, music and the ministry on Beale St. Check out this announcement at <http://www.bannersunfurled.org/> and get in on the ground floor. At the JSC you will be sorry you did not make the effort to attend this.

Thanks for your prayer and support.
