

Joh 9:4 I must work the works of him that sent me, while it is day: the night cometh, when no man can work.

Although the above are the words of our Lord Jesus Christ I feel the same urgency toward getting the work of the Lord done. I don't know how long we have till the rapture, nor how long I may have until I walk through the valley of the shadow of death, nor even how long the Philippines has with this tremendous open door for the gospel. But I believe we all need to do our utmost for His highest...toward the goal of "...Well done thou good and faithful servant...". I feel much more pressed on this subject than at any other time in my 45 years of service for our Lord. Speaking of open doors...why not be amazed with us at the freedom which we enjoy...come with us for 4 minutes on a typical street meeting in Cagayan De Oro, Philippines. Catch the fever, covet the liberty and experience a small taste of our ministry here in the Philippines...just click <http://www.youtube.com/user/gsutek1?feature=guide> and pray for us that we will "fulfil" (Col. 4:17) the ministry the Lord has given us.

HEAVEN'S ANGELS MOTORCYCLE GANG

Photo # 1 The Lord has given me the opportunity to teach three hours of Bible to this group of 13 pastors who travel nearly an hour one way. Every Tuesday from 9 am to 12 noon I have been teaching these "Heaven's Angels" things they never learned in Bible college...such as Manuscript Evident supporting the King James Bible and now for many weeks we have studied the huge subject of "The history of the Jews" which involves dispensations, prophesies and covenants from Genesis through eternity. These men have diplomas hanging on the wall of their homes. They have churches and families of their own and they came to me and asked me to teach them things they never learned before. My oh my what a great honor...my oh my what a great responsibility.

NEW BANNER

Photo #2,3 Look at this gorgeous new Cross Banner we now have. This commands the attention of all within 50 yards. We have two of these and have framed one and mounted it at the entrance of our school compound. This past Friday night about 20 of us were here preaching and tracting to multiple thousands of sinners for nearly 2 hours without one heckler, objection or police encounter. If this appeals to you...come on in...the water is perfect.

Photo 4 Meet Pastor Dan Tago. He is standing with his middle son Neo. Pastor Tago is a first class student. He pastors the church and owns the property where our school is located. He is a man of high integrity and works very well with all of us. Neo is 9 but wants to be like his dad and older brother Earl. Earl is 12 and in Photo 5 he is preaching on the street for the very first time. He and Neo will be our next generation Bible institute.

Please pray that this farm we are organizing will feed all the students and staff and help to financially maintain this ministry. We are solvent AT THE PRESENT TIME...pray it continues this way.

This week we will open the new library with many good books and two computers for the purpose of student research and writing of papers.
