

SERVING JESUS SATISFIES

I must be "just" because my memory of the past year is certainly blessed. To look over the past months and see all that the good Lord has done with feeble creatures such as we is only to the glory of the Lord. At this stage of our life and ministry Robin and I are very happy and content with what we have and what we are doing and where we are doing it...for this we both truly PRAISE THE LORD.

CHRISTMAS SKIT

The semester has ended...students are gone for a couple weeks and we will spend this time catching up and getting ahead[ha. Mary Bethany wrote a skit, cast the characters, directed and produced a really good Christmas skit (see photo) and the students performed it at the elementary school for about 200 sixth-graders to the kid's great delight. We took the opportunity to give each kid a snack and a gift of a Chick Christmas tract (see photo).

FROM CROOKS TO CHRISTIANS

Robin, Mary and the lady students have a ministry with the ladies in a local prison. Robin ministered to a young (18) named Grace who was due to be released soon and invited her to our church and she came...WOW...does this really happen in real life. (see photo).

NO SHOES OR NO FEET

One of my dad's common sayings was a familiar proverb "I complained because I had no shoes until I met a man who had no feet". This poor fellow in the photo was lying in this place when we came to have our street meeting. We preached just 5 feet from him and he was lying there when we left. Wonder what he would like for Christmas.

WHERE DO THE CHRISTIANS PRAY?

This sign is in the local mall. At first I was ticked at the audacity and inequality of this presentment. Then I came to the reality that Christians usually don't pray so a special room would not make any difference.
