

LIVE DRAMA

Eze 37:18 And when the children of thy people shall speak unto thee, saying, Wilt thou not shew us what thou meanest by these?

LIVE DRAMA FOR THE VILLAGE KIDS

I believe you will be delighted to view this video of the students live drama of The Donkey Spoke performed for the children in a nearby village. The text above from Ezekiel fits with this new ministry. My daughter Mary, whom many of you know well, wrote the script and made the costumes (Mary played the part of the Donkey) and directed this...this doesn't mean I am overly proud of her or anything but she is doing a very marvellous job teaching the students how to make a ministry out of drama which adds a very different facet to our bible institute. We are all having fun serving the Lord Jesus Christ. http://www.youtube.com/user/gsutek1?feature=em-upload_owner

THE BIG-TREE KID'S STORE

Two photos of the village show the toy store for the kids that Mary put together... and the kids shopping there. She gives them verses to memorize and they earn printed dollars and they can buy a cheap toy...the kids love it and do well on memory.

We have prayed for a good while for the Lord to help us provide vocational training for the students to aid them in making a living when they graduate and serve the Lord. Recently we met a very skilled man who is a Christian who will teach the guys to weld. Not just to weld but to graduate and gain a certificate for welding which he is authorized to issue. Wow, this will help our guys get 2 ½ times the normal wage when they work. The girls are involved in a free vocational program for computer, cooking, sewing etc. This is all included in their training with the institute.

CONTENDING WITH THEM

Pro 28:4 They that forsake the law praise the wicked: but such as keep the law contend with them.

We have a JW contender who shows often when we are preaching the truth. He contradicts both us and the Lord with his doctrine "forsaking the law" and his NWT comic book. He had rallied about 20 to listen to him but even those listening did not agree with his doctrine of Jesus not being God. My students respectively "reproved" (Eph. 5:11) him and then at the proper time I stepped in and announced to his audience that he was a liar and heretic...and if they wanted to listen...they had the right...then I read to them 1Jn. 2:22 and walked away.

NEW NURSING HOME MINISTRY

Always endeavouring to train our students in ALL ministries we have now included a nursing home. These are not popular here like they are in US. There are only a few in our city but now we are ministering to the very old, very young and everyone in between.

NEW CLASS PHOTO

This is the chief with all the students...please pray for us as we try to teach them to minister.

We are having fun serving the Lord...
