

THE DUE ORDER

1Ch 15:13 For because ye did it not at the first, the LORD our God made a breach upon us, for that we sought him not after the due order.

WOW WHAT A WEEK...

Jenny and Erwin were saved on Monday, baptized on Saturday and married on Sunday...because they wanted to do things in due order (1Chron. 15:13) Jesus said, "If you love me keep my commandments"...and they did. Praise the Lord. Photos 1,2,3,4 tell the whole story...even the date of the baptism. Jael, Mary's blood sister was also baptized this day...Jael is in a red shirt.

ANOTHER JAIL MINISTRY AND ANOTHER NURSING HOME MINISTRY

We were welcomed into the downtown jail and preached to about 60 inmates and most of them were excited about raising their hands for salvation...PTL.

While preaching about sin...I pretended to have a secret...they all leaned forward to hear it... "Even the warden has sinned." Oh, did they ever laugh at that one. No cameras allowed in the prison so you will just have to use your imagination. Not too good of conditions...not worth the pleasures of sin.

ON THE STREETS

In photo 5 you see a group of kids being preached to by Your's Truly. I ran into them skate boarding on a blocked off street. They were all trying out their new tricks on their boards as I approached...I told them to take five and come and hear a story. They all came, sat down quietly and listened for 15 minutes to the story of the gospel of our Lord Jesus Christ. Sometimes I take advantage of being an old American foreigner.

BUY ONE FOR BEAR

Photo 6 shows a jeepney here that would be a novelty in Vegas where Bro. Bear ministers. He could witness while transporting gamblers from casino to casino. Riding this jeepney is gamble enough for me.

NEVER TO BE SEEN IN USA

Count the riders on the cycle in Photo 7. Nope...there are actually 6...the woman on the end is holding another baby. Most USA riders would have trouble enough with balancing the junk stuff much less 6 riders. This is all perfectly legal as long as the rider wears a helmet.

ALL IS WELL

All of our ministries are operating at full till. The good Lord is blessing us and supplying our every need. We are still anxiously awaiting the needed work to be done before we can move the church to the fourth floor...maybe in 3 weeks...When we move the church there we will literally have our very own billboard on the side of building...I have been a sign man for a lot of years and always wanted my own billboard. Watch for the next SWAT REPORT to see what we put on this billboard...I think you will like it.

LAST REMINDER ABOUT THE BLAST IN MEMPHIS BE THERE...NOTICE THE ATTACHED FLYER.
