

Pro 27:17 Iron sharpeneth iron; so a man sharpeneth the countenance of his friend.

I was getting dull...so the good Lord sent my friend of a quarter century and we sharpened each other...Praise the Lord. Pastor and Mrs. Bevans Welder (notice photo...the young lady in the middle is a young lady in our church) came for a two week visit. They brought along two young men from their ministry in Corpus Christie, TX...Joey is 17 and Jake is 16 (photo). These brothers enjoyed the ministry here tremendously. They enjoyed the camaraderie with the students as well as the sons of Bro. Stedman. They preached on the street for the very first time and before leaving both testified that the street preaching was the best experience of their visit.

GRADUATION 2015

It is hard to believe that in just three years, starting from scratch we graduated 8 students earning a Bachelor of Ministry degree. (Notice Photo) Please pray for these graduates to produce something in the ministry with the tools they have been given. Also pray for more students to replace them in the institute. The grads and students were very excited and pleased to have Pastor Welder preach our first graduation.

SERMONS ON THE MOUNT

Pastor Welder and a group of us took a three day trip into the mountains and preached at a remote seminary and a couple churches. While there we preached publicly at a bus waiting area. The smiling lady in the photo was saved while one of us were preaching. When dealt with she testified she heard the preaching and realized her need and called upon the name of the Lord during the preaching. To my memory this is the first testimony I have ever heard of salvation simply during the preaching. I have always believed that it happens often but had never heard testimony. The white haired man is a national pastor who is one of our students in Pastor's class and served as our guide on this trip.

SALVATIONS???????

Some folk wonder if we ever get anybody saved here in the PI. We purposely choose NOT to report salvations very often because this kind of thing is so abused by so many. But this was a most fruitful month and we thought you might want to share our blessing. After many months of ploughing and sowing the seed in the female jail ministry our students harvested 7 ladies who trusted the Lord. No photos allowed in jail. The following week our students taught on eternal security with great reception. Pastor Bevans Welder preached to thirty gang members in the mountains and out of the thirty...thirty came forward and God only knows their decision. (see photo) We nearly always have souls saved when we preach publicly and that is many times a week. These are not "easy believism" salvations but rather are sincerely and personally dealt with. Yes, as hard as it is for those in the western world to accept, this field is wide open and we are very busy taking advantage of this effectual door.
