

ALL IN A DAY'S MINISTRY

SWAT REPORT # 229, April 13, 2015

Wednesdays are packed with ministry...see Ruby and Richie "rockin" out while the old folks are "rollin" with them. Now you know me better than that...there, of course is no "rock music" but some peppy Christian choruses that go with some gestures that the old folk really wake up to. Then we go to the park and preach...see banner...but while the preaching is going on notice James has two little boys in a personal witness...we all give testimonies in the Wed. PM service of the thrill of how we all got to serve the good Lord that day.

CHRISTIAN DAY SCHOOL COMING

Miss Joy Dunbar, daughter of long time friend, Pastor Dave Dunbar who pastors Freedom Bapt. in Auburn, NY is coming this Thursday to work with our students in starting a K-6 Christian ACE school under our ministry. This will provide a very needed ministry for the community as well as another avenue for evangelism and promo for our church. This will also provide excellent training for our Institute students in Christian education. Please pray for this new ministry which is scheduled to begin in June 2015.

FIFTEEN TO SUNDAY SCHOOL

When is the last time you noticed one of your faithful members driving up to church and having 15 people climb out of a normal car...all for Sunday School. Well, this photo was taken Sunday morn from our fourth floor church as Bro. Dan McGinnis arrived with his entourage for church. Praise the Lord for members like this.

TEXTING ALLAH

I thought that would get your attention. I captured these two Muslim girls in Starbucks probably texting Allah...

WOOD BE A COMMON SIGHT IN PI

How much load can you put on before the tires explode. Well, I think this one is in the running for first place. So, if you need a ride just push some wood over and grab a seat where you can.

STEDMANS ON DEPUTATION

Please pray for the Stedman family as they travel and present their ministry to work with our ministry here in PI...We are praying they can return to us by early 2016. They can be reached via Pastor Haveman 208-773-3864 or 208-818-6604.
