

# HOW TO POSSESS YOUR VERY OWN INTERSECTION

The goal is to not allow one car or pedestrian pass through without reading or hearing a portion of God's Word. After all, "Faith cometh by hearing and hearing by the Word of God." The goal is reached by expertly examining the intersection and placing skilled personnel in the most efficient locations.

After so many years in public ministry this kinda comes natural for me. Measuring the impact upon the viewers is impossible since man looketh on the outward appearance. So, we leave the calculating of fruit to the Master. Also, one cannot calculate the measure by counting those who come to church as a result.

Considering that everyone already has a religion, why should they "buy", adopt, change, or consider yours? If all you want is numerical results then change your music, sermons, cut your length of service etc. etc. etc.

**Dan\_12:3** *And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.*

My dad sold vacuum cleaners door to door successfully for 35 years. Every door already had a vacuum cleaner so how do you get them to buy yours? That is intirely within the character, personality, and persuasiveness of the salesman. Hint, Hint...the Christian is the "salesman" whether successful or not. WOW.

LADIES CAN PREACH TOO WITH THEIR SIGNS

THEY LOVE IT

**Act\_5:41** And they departed from the presence of the council, rejoicing that they were counted worthy to suffer shame for his name.

**Act\_8:39** And when they were come up out of the water, the Spirit of the Lord caught away Philip, that the eunuch saw him no more: and he went on his way rejoicing.

The success of possessing your own intersection can be measured in the spiritual enthusiasm and excitement of the ministers involved. The notch-up spiritual atmosphere within the church depends almost entirely upon the level of spiritual enthusiasm and excitement of the leader.

**COMBINING PACIFYING THE LAW WITH WITNESSING**

Believe me it works. Take one week off from door to door each month and go possess an intersection. Then measure the spiritual enthusiasm of this activity against the weekly door to door. Our people stay spiritually enthused and excited **BECAUSE** of these activities.

Hey, fellow pastor, before you discount this, pray up a spiritual enthusiasm and take your folks out and claim a major intersection for the Lord Jesus Christ. Then turn your spiritual measuring meter on the next Sunday. Well, another election year is upon us. My chosen candidate is the Lord Jesus Christ to rule and reign forever and ever.

You will probably not hear from us again until January 2020...

Have a grand end of the year.

Serving with you but in a foreign foxhole.

**AND YES WE HAD  
A HAPPY THANKSGIVING**
