

I am Jenny Rose A. Apostol. I was born and raised as a Seventh-Day Adventist. Back then, I was so excited every time our Sabbath school begins. Our teacher taught us about famous characters in the Bible and learned songs that until this day, I could still remember it.

I got saved when I was 20 years old on September 2013 at Lighthouse Baptist Church in Canitoan. Before I got saved, I have a partner named Roger. We are living together while

we're not yet married and for me, that was the biggest fault that I ever did in my life. That time, we are in the province of Bukidnon, 6 hours of drive away from Roger's family who were in CDO. They would pray to God for our safety and without knowing that there's somebody who would pray for us just to know the Lord Jesus Christ and accept Him as our personal Lord and Savior. That's the situation why I could say that God would save you in what circumstances you are in. The Lord does not choose the situation where your life is at ease or difficult. If he plans to save you, he will save you. We left our home and moved here in CDO. Maybe, that's one of the plans and

purpose of God for us because if we didn't moved here, I would still continue to live in sin, I wouldn't get saved and know the assurance whether I could go to Heaven or Hell when I die. When we arrived here in CDO year 2012, Roger's family invited us to attend church one Sunday morning, and that's time I met Ptr. Daniel Tago, Ptr. James Manalo and Ptr. Gerald Lee Sutek. During Sunday school, all the visitors and new comers where separated to the other room and it includes me. Ptr. James was the one who were assigned to teach and he emphasize salvation that time. He asked me if what is "KALUWASAN" (in English, salvation) and I replied to him, Salvation (I just translated it in English) and asked me again, what is Salvation? I replied, KALUWASAN. This sounds funny, right? Yes, because I can't explained it. All I knew was its translation and vice versa.

I keep on attending to church on Sundays and heard their teaching. Until the time, Ptr. James left that church and started their own ministry together with Ptr. Sutek. When they left that church, I stayed.

Every time Ptr. Tago preached, in my mind, he's lying because I doubted if what was the right doctrine, whether their doctrine or the SDA's doctrine. There was a point that I asked myself if which one was right. I could say that he was a hard preacher because every time he preaches, it strikes me. Even though he's a hard preacher, I still chose to stay and I said to myself, I wanted to stay because I wanted to learn. Maybe, that's the time that the Holy Spirit starts to work in my life.

For 3 months of attending church, I got saved. But the day, when I got saved, I was still in the bondage of sin. The Holy Spirit doesn't stop on convicting me, saying, "Get right! Get right!" then, me and Roger moved in to the church where Ptr. James and Ptr. Sutek at. We started to attend church regularly, got baptized and finally, got married.

I am working now as a full-time worker in the ministry, a mother of 1 child and living with my beloved husband. I am also one of the students at the Institute of Biblical Ministries in the Philippines.

Hello! Good day to all. I am Jovanie M. Jowam your co-Christian in Christ Jesus our Lord.

This is my testimony before I received my Saviour Jesus Christ and after I was found of Him my Redeemer Jesus my Lord.

I was grew up on a family that do not served God until today.

I seen in my birth citificate that my father is Catholc and my mother is a Christian (I don't know what kind of a Christian, I didn't asked her.)

Directly speaking, I didn't know WHO GOD is and WHAT HE'S DONE and what will HAPPENED TO ME AFTER DEATH.

So I wandered so aimless my life filled with sins at age 13-17. I gambled, I get drunk, get friends, get addicted to computer games, because of that I didn't finished my schooling. I was 4th year high school when I stopped my education. NO HOPE, NO PEACE of mind, NO planned in Life after that.

I was content to be a poor guy and to be happy of the things of the world with my worldly friends.

Even I wasn't saved I knew I am going to die someday. So I put in my mind be happy and do the things that can give me joy in my lifetime.

My life has been going down through the pathes of sin. Seeking for joy but I found unsatisfaction, looking for peace in the world but I found none. UNTIL THE DAY in April, 2, 2015 at age 17 coming 18. My sister invited me to a family camp. Bible Baptist church (because my sister got saved first. Actually we are 5 brothers and 2 sisters total 7. I am the 5th born

the 2nd and the 3rd got saved first and then the 4th got saved next which is my sister. Then I am the last that got born again and the rest I don't know if they are saved). Some pastor witness to me the unsaved visitors (including me) I remember he used John 3:16 which is the very common verse of every Christian. That time I received the good news from the Bible that Jesus died for the sins of the world (even me) and buried and rose again the 3rd day

A week later my life, my doings, my mind began to change and I knew that I am saved when I die am sure I am going to Heaven because of what Christ done on the cross. There coms a day that I decided to go to Bible school. And the Lord shewed me the good one in CDO Bible Believer's Baptist church at Lumbia under Pastor Sutek and his wife Mam Robin. And I went to this Bible school and finished the 2 years course of studying the Bible KJV version. I graduated on De, 12, 2018. All GLORY to God.

I thank God for those pastors who teach me sound doctrine from God's Word, Pastor Sutek, James Manalo, Greg Stedman...they encourage us also to live right with God and to preached the GOSPEL of our Lord Jesus Christ in the streets without fearing man's faces But God only whom we fear.

I'm still serving God today by His mercy and grace, with my Brothers and Sisters in Christ Jesus, and with the pastors here in CDO Bible Believer's Baptist church Lumbia, Philippines.

Doing the best I can studying the Bible and obeying what it says, so that I can able to teach others also.

Doing the Lord's work to put a smile on His face until He comes and take me home to a land where we never grow old and I shall dwell in the house of the Lord for-ever, all the days of my life.
