

Ezr 10:13 But the people are many, and it is a time of much rain, and we are not able to stand without, neither is this a work of one day or two...

Just Preachin in the rain...

... Gene Kelly should have been a street preacher

I'm preachin in the rain
WELL...I ONLY CHANGED ONE WORD...

Just preachin in the rain

What a glorious feeling

I'm happy again
I'm laughing at clouds
So dark up above

The sun's in my heart
And I'm ready for love

If you can follow this and know its origin then you know you are old.

I can identify with the feeling because of our quarantine...

This was our first time out in about 7 weeks...
When we left the property it wasn't raining...

When we got to the place of publick ministry it wasn't raining

So, when it started we couldn't stop
All were in one accord in one place so we had publick ministry ACTS.

BORED BUT IT WASN'T TOO BAD

The quarantine isn't something we enjoyed but we had no choice. It isn't quite over yet but they are not enforcing much. Many of our outreach ministries have locked down and are unavailable to us but public ministry was not bothered by authorities this week so we will continue next week. This is all we can do right now.

CHURCH HAS BEEN GREAT

We have never, yet, had any conflict with holding services. We did cut out the afternoon service for check point reasons. We have averaged in the mid-40s in attendance and all have a great spirit. We do SD and some wear masks but no one has yet come to check on us. PTL PTL PTL.

COLLEGE

Because the good Lord gave us this property and all the students live here we have not missed a class. We praise the Lord for this as well. The lock down gave us the time for getting ALLLLLLL the paperwork done to meet the requirements to be approved by Dept. of Ed. I used the time to write another book...details to come shortly.

ALL WELL

No illness either related or unrelated to the virus. Glory to GOD!

Would love to hear your complaints OH, I mean comments on your love affair with the virus and quarantine. Please reply to this either via email or phone.

850-208-3773 We are 12 hours AHEAD of New York City time.

All's well in our foxhole...
