

WHO IS YOUR PROGRAMMER?????

Php 4:8 Finally, brethren, whatsoever things are true, whatsoever things *are* honest, whatsoever things *are* just, whatsoever things *are* pure, whatsoever things *are* lovely, whatsoever things *are* of good report; if *there be* any virtue, and if *there be* any praise, **think** on these things.

There are 82 references in the Bible using the work "**think**". That is more than refer to the virgin birth...it must be important. The Great Programmer (the Lord) desires to program the brains and hearts that

He created and fill them with the perfect programs of His perfect wisdom. The great counterfeiter/evil-programmer has blinded the minds of them which believe not so they are unprogrammable and incompatible to spiritual things. Read 2 Cor. 4:4, 1Cor. 2:14

I **think** I am a Bible teacher/programmer. I **think** that I have been programmed by the great programmer to be a Bible programmer. The number one most difficult challenge in my Bible institute in the Philippines is to get my students to **think**. It appears to be the most painful of experiences and in some cases (the younger) it is well nigh impossible.

Nearly fifteen or more years ago I was the guest teacher in a Bible college in USA. One day the Dean of Boys invited me out to lunch. I asked him what was the most difficult problem he handled. Without hesitation he said "Computer games". He said the guys will miss class, miss a date, miss homework, test, appointments, work schedules all because of computer games. Can anything good come from computer games? I **think** not!

Eze 38:10 Thus saith the Lord GOD; It shall also come to pass, *that* at the same time shall things come into thy mind, and thou shalt **think** an evil thought:

Who programmed that evil thought into your mind and heart?

Who is your programmer?

You choose...

**I LOVE COMPUTERS
CELL PHONES
PADS**

I barely know how to spell computer but I can loudly say that I love the convenience of the computer Bible programs and the word processor capabilities. BUT I program my computer...I don't allow the computer to program me. I am one of the last remaining computer-game virgins and I wear that like a badge.

HAVE YOU NOTICED

Have you noticed how our current generation has turned IN on itself. It has its own SELF-IMAGE.

[2Co 3:5](#) Not that we are sufficient of ourselves to **think any thing as of ourselves; but our sufficiency *is* of God;**

This verse may be a bit taken-out-of-context but it speaks to this problem.

The Bible talks about someone being satisfied from himself Pr. 14:14 but our electronic programmers have turned the

focus on ourselves...

Why does no one ever take a selfie of themselves reading the Bible? Because that program is incompatible with the program of the great evil-programmer of this world.

Pro 23:7 For as he **thinketh** in his heart, so *is* he: Eat and drink, saith he to thee; but his heart *is* not with thee.

Remember way back when the grand programmer of the family used God's perfect program to program the new programmers under his care?

A soul winner is one of God's programmers using God's perfect program to program little-ones who can still be programmed compatibly with God's perfect program. Look below...many will remember our student Niel. He is still with us and doing graduate work. Here, Niel is leading this 7 year old to the Lord using God's program.

God's perfect program is so programmed that when you allow this program to be downloaded into your computer/heart/brain that you can think no evil from this program.

1Co 13:5 Doth not behave itself unseemly, seeketh not her own, is not easily provoked, **thinketh** no evil;

We live in a very unhappy society that have been programmed to use fake stimulations to satisfy themselves...they don't work. But do you realize that the Great Programmer created a program that if downloaded will make you happy?

Act 26:2 I **think** myself happy, king Agrippa, because I shall answer for myself this day before thee touching all the things whereof I am accused of the Jews:

Be not deceived, the great evil-programmer is changing times and laws to match his grand plan for ruling and ruining the entire world. He is using billions of small programming machines to help accomplish his purposes...don't buy into this.

Dan 7:25 And he shall speak *great* words against the most High, and shall wear out the saints of the most High, and **think** to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.

The evil-programmer is changing the minds and hearts of many in this world to erase the Blessed Hope of the second coming of our Lord Jesus Christ. And this is just how close this Blessed Hope is...

Mat 24:44 Therefore be ye also ready: for in such an hour as ye **think** not the Son of man cometh.

"I fear the day that technology will surpass our human interaction. The world will have a generation of idiots"

Einstein may not have quoted this but some wise guy sure did.
