

BIBLE BELIEVER'S BAPTIST CHURCH

Heb 4:12 For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discernor of the thoughts and intents of the heart.

I preached on this famous verse today in our newly started church. In photo # 1 is the business card with the info of this new ministry. We have some eager and zealous Bible believers coming regularly and are gearing up to evangelize and advertise this new ministry in the many very nice neighbourhoods nearby. There are many mixed homes here where both English and Cebuano are spoken so we are offering multi-language services to reach these not being reached at present. Many Americans have married Filipinas here and although they did not come here to go to church...they sure need the gospel.

AND...ANOTHER NEW MINISTRY

Somehow we keep busy...in the several other photos you will see me and my guys ministering in a classroom with 58 students in Lapasan National High School. What a great door and effectual has been opened to us. While holding a street meeting the teacher of this class received a tract and called me and asked if we could come... Wednesday was our first day but certainly not our last. This just might open the door to other classrooms and possibly the whole school. The ACLU and the US government would see to it that you spent a good bit of time in court and/or in jail if you tried this in the US...and the teacher would never teach again. Thank God for third-world countries that don't know any better.

ROBIN AND MARY

Robin is a great blessing to the female part of our ministry. She teaches a ladies class on Friday night with a meal included. This class is sort of a combination Home Economics, practical Christian Woman living class and all the ladies love it. They have more fun than the boys. Mary is teaching two hours of English in the institute as well as a history/geography course. Mary is an excellent teacher whether primary SS or college. Robin and Mary both teach the ladies in prison every week and Robin has a Bible study for a Korean lady and a Chinese lady. Mary also has a ministry to the squatter children on Saturday morning. Me??? oh, I just sit around in the sun... You know better.

I am busy from sun-up past sun-down with the institute, pastor's school, church, and outreach ministries. I guess we will all wear out and not rust out...Praise the good Lord for all that He gives us to do. Thanks for your attention and support of our ministry...Gerald Sutek
