

# LIKE FATHER LIKE SON

2Ki 15:3 And he did that which was right in the sight of the LORD, according to all that his father... had done;

As you can see in Photos 1&2. I want to be like my dad when I grow up. This old photo of my father was taken on his honeymoon with mom in 1937. He was not a farmer but posed for this cherished photo on my great grampa's farm in rural Georgia. Neither am I a farmer but posed for this photo 76 years later. My father was the best man I ever knew and I hope one day somebody can truthfully say something close to that about me...Hope you enjoy this.

## DYLAN PARFITT AND HIS TRUSTED CARABOU

In order that we might properly initiate our two week visitor to the Philippines we gave him a ride on a Philippines John Deere tractor (Photo # 3). Dylan is on a field trip to confirm what the Lord spoke to his heart about when he was 9 years old. We only pray we are a blessing and not a hindrance.

## WELCOME TO BIBLE BELIEVERS BAPTIST CHURCH IN CDO

Photo # 4. In order to properly train our young men and ladies in the operation of a local church we have begun holding services in what we pray will be blessed of the good Lord and provide dual-language Bible believing ministry to many in our local area. Our first service in a rented hotel conference room squeezed in 26. Photo #5 shows the SS kids on the loft above. We have since rented our own facility and are now a full-function church. If you want to see photos of the church go to:

## WE NEED A LOT OF PRAYER FOR ALL OUR MINISTRIES!

WHAT IS NEIL DOING??? WHAT IS SHE DOING??? Why...can't you tell...he is cutting the grass with his hand-held lawn mower. (Photo 6) The Lady is commonly transporting cooked corn to a fast food stand down the road. (Photo 7) I watched her struggle to get this to her shoulder and then a great effort to get it on her head...I estimate the bucket must weigh 25-30 lbs. Where are the chiropractors when you need them. This was everyday normal duty for her. Do you have a car, wagon or wheelbarrow...what are you complaining about???

All is well but very busy...we have a semester break coming up for the students but I must fly to Manila for meetings. Two new students coming Aug. 5th. Our male students are getting invited to preach out now for which I am extremely excited. Our church is easily located so we can begin to "bring them in from the fields of sin." Our health is still quite good and we are very pleased with serving our Lord.
